## Case Study

# RetailROI Helps Warm Blankets Care for Cambodian Orphans

RetailROI is proud to partner with **Warm Blankets Orphan Care International**, a non-profit organization dedicated to restoring the lives of orphans and widows around the world.

Warm Blankets cares for more than 4,000 children in more than 150 church orphan homes, providing basic necessities, plus English and vocation training and computer training. The organization provides a home and a place to belong to desperate orphans in several developing countries including Cambodia, Congo, India, Indonesia, Kenya, Thailand and Uganda.

Specifically, Warm Blankets is focused on the following goals:

- Building awareness of the despair faced by children around the world
- Providing resources to meet the sustained spiritual, physical, social and emotional needs of the children in its care
- Sharing the message of Christ with the children
- Caring for widows through involving them in orphan care homes
- Partnering with other organizations to further the cause
- Helping to develop self-sufficiency of the homes and the children
- Maximizing the giving power of donors and sponsors through partnerships, matching grants and auditing programs

RetailROI's efforts are directly benefitting the Chom Kasan Church Orphan Home, located in the remote Preah Vihear Province of Cambodia. The Chom Kasan Church Orphan Home is home to 15 children and 4 caregivers. With the leadership and guidance of pastor Sok Sak, staff members and caregivers, the Chom Kasan children attend church and school, in addition to helping with household chores.

During a typical day, the Chom Kasan children arise at 5:30am, participate in morning devotions, consume a breakfast of rice porridge, walk 1.5 km to school, complete daily chores, have dinner, attend evening devotions and Bible study, review school lessons and go to sleep at 8:30pm.

Orphan homes can be supported for as little as \$1,500 per month, which helps to care for 15 children and 4-5 caregivers.
